

Introduction to Articulate Rise

Training course outline

Articulate Rise, available to Articulate 360 subscribers, is a browser-based rapid e-learning development tool.

Being less complex than similar tools such as Articulate Storyline and Adobe Captivate, it has a short learning curve, meaning that we can get you developing your content with a day's training.

Course summary

Introduction to Articulate Rise provides a thorough grounding for beginners, teaching all key techniques.

Sessions include:

- Building lessons.
- Adding text blocks, images and video.
- Adding closed captions to video.
- Quizzing and assessments.
- Publishing, reviewing and collaboration.

Duration

One day.

Who should attend?

This course is ideal for newcomers to Articulate Rise and e-learning development.

In-class or live online

You can attend in-person at our centres, or participate live online from your place of work or home.

To read about our approach to online training, see armada.co.uk/liveonline.

General information

Courses are hosted by highly experienced professional e-Learning developers with vast experience of using the application professionally.

Whilst attending training at our centres, you'll have the use of a computer running Articulate Rise to practice the techniques taught. You can choose to use a Windows computer or Mac.

Refreshments and lunch are provided.

Course fees can be paid by card or bank transfer. We accept purchase orders from UK-registered companies and public sector organisations.

Course materials and certificate

You'll receive:

- A comprehensive training guide and practice files.
- An e-certificate (PDF) confirming successful course completion.

Method of delivery

Training is designed for the busy professional, being short and intensive and combining lecture and demonstration. Practical exercises carried out under guidance help you learn the techniques taught.

You have ample opportunity to discuss specific requirements with the trainer.

After course support

Following training, you're entitled to 30 days' email support from your trainer.
