

# Adobe Creative Cloud Express

## Training course outline

Adobe Creative Cloud Express is an easy-to-use web and mobile application used to create and share rich multi-media.

This short course provides a thorough grounding, teaching all key techniques required to create effective content for your social media channels.

### Course summary

Teaches how to use Adobe Creative Cloud Express to create:

- Professional-standard graphic designs for your social media channels.
- Marketing materials such as logos, flyers and banners.
- Responsive web pages to showcase your photos or portfolios.
- Videos incorporating animated text, icons and pictures, narration and background music.

### Duration

One day.

### Who should attend?

This course is ideal for newcomers to Creative Cloud Express who want to make social graphics, web pages and animated videos quickly and easily.

### In-class or live online

You can attend this course in-person at any of our centres, or participate online from your place of work or home.

To read about our approach to online training, see [armada.co.uk/onlinetraining](http://armada.co.uk/onlinetraining).

### General information

Courses are hosted by highly experienced instructors with vast experience of using the application professionally.

Whilst attending training at our centres, you'll have the use of a computer running licensed software to practice the techniques taught.

Refreshments and lunch are provided.

Course fees can be paid by card or bank transfer. We accept purchase orders from UK-registered companies and public sector organisations.

### Course materials and certificate

You'll receive:

- A comprehensive training guide and practice files.
- An e-certificate (PDF) confirming successful course completion.

### Method of delivery

Training is designed for the busy professional, being short and intensive and combining lecture and demonstration. Practical exercises carried out under guidance help you learn the techniques taught.

You have ample opportunity to discuss specific requirements with the trainer.

### After course support

Following training, you're entitled to 30 days' email support from your trainer.

### Further information
